

CERKEZKOY CHAMBER OF COMMERCE AND INDUSTRY

HANNOVER MESSE FAIR IN GERMANY

The Hannover Messe Industry Fair is one of the most dynamic and comprehensive fairs in the world.

VISIT OF HANNOVER MESSE FAIR 2015

At the Hannover Messe 2015 Fair, our members were able to see the last point reached by modern technology, and witnessed the developments in the industry.

Cerkezkoy CCI delegation received detailed information about the products by visiting the many stands throughout in the fair.

VISIT OF THE FAIR

This year, 6 thousand 290 companies from 67 countries took part in the fuard in which 225 firms from Turkey participated.

225 COMPANIES PARTICIPATED FROM TURKEY

At the fair, Gebze Chamber of Commerce, Eskişehir Chamber of Commerce and Industry and Istanbul Chamber of Commerce took place in the stands.

The ICC was visited and detailed information was obtained from ICC SME R & D Branch Manager Mert ÖZCÖMERT about the fair.

ISTANBUL CHAMBER OF COMMERCE (ICC) STAND VISIT

The fair was also discussed with the Turkish Trade Attache Kudret CEREN and the situation of the German and Turkish industries.

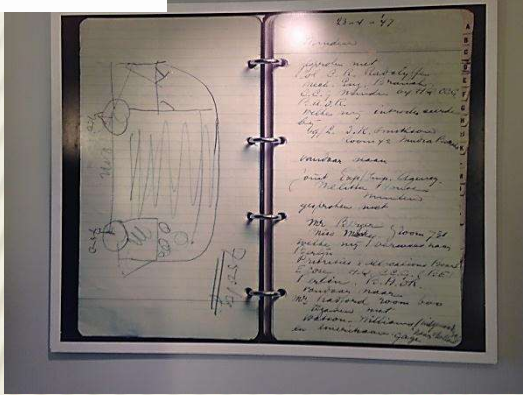

TURKISH COMMERCIAL ATTACHÉ

TURKISH COMMERCIAL ATTACHÉ

We participated in the "Turkey Evening" program organized by the Turkey Machine Promotion Group in the fair area, where Turkish and German business people came together.

The first Volkswagen Factory in Hannover was visited. First, factory presentation was held in the conference hall of the plant. After the demonstration, the production department was visited and the production stages were seen.
